~ Facial Treatments ~

All facials begin with an evaluation of your skin's condition then a treatment is customized for your skin's specific needs. All facials include cleanse, exfoliation, massage, masque, and selected serums. In addition, ultrasonic therapy devices are also used for deep cleansing, exfoliating, and product penetration.

**Be Ageless Customized Signature Facial** 65

This "results-driven" signature anti-aging facial treatment exfoliates and resurfaces the skin using fruit enzymes combined with natural acids and clinically corrective ingredients and is focused on stimulating cellular turnover, repair, and increasing circulation and metabolism for amazing results! Customized to your skin type/condition. (60 min)

**Purifying Facial** 65

Fruit enzymes and skin loving acids erase dead, dull skin cells revealing your most radiant complexion yet. Impurities and toxins are then drawn out of the skin with a kaolin clay mask that will leave your skin purified and nourished. For normal/combo skin; oily, mild acne. (60 min)

**Ultra-Calming Facial** 65

This gentle enzyme facial is packed with antioxidants for an anti-aging facial that's perfect for sensitive skin. This facial restores your skin's softness and vibrancy and leaves you with a health glow. All skin types, sensitive skin, and rosacea. (60 min)

**Hydrating Facial** 65

This enzyme facial smooths and softens dry, sensitive skin, improves skin tone and texture and gently exfoliates to reveal healthy, glowing skin. (60 min)

**Vitamin C Antioxidant Therapy Facial** 65

This naturally aromatic enzyme treatment drenches skin in 30% vitamin C to stimulate collagen and strengthen elasticity. Buff away dead skin cell build up, while repairing sun damage for a brighter, smoother skin. All skin types, rosacea, sun damage. (60 min)

**Plumping & Firming Peptide Facial** 65

Reveal your beautiful skin with this stimulating peptide enzyme facial treatment designed to firm and tighten. Potent serums and rich antioxidants deliver a Botox-like action to visibly smooth, lift and nourish your skin. Recommended for non-sensitive, aging/mature skin. (60 min)

**Teen Facial** 45+

Customized facial for ages 13-18. (45 min)

~ Facials are recommended every 4-6 weeks ~

~ Advanced Skin & Series Treatments ~

All treatments and series packages are customized to your specific skin type, condition, concerns and goals.

**Diamond Microdermabrasion Treatment** 85

Microdermabrasion is designed to gently and safely exfoliate without chemicals. Skin is improved by diminishing scars, lines, wrinkles and sun damaged skin. (60 min)

**Detox Deep Pore/Acne Facial Treatment** 95

Specifically for acneic skin and designed to fight bacteria, treat excess oil and help heal blemishes for clean, refreshed, healthy skin. Deep cleansing with steam and enzymes start this treatment, followed with extraction, refining mask, high frequency and LED Light Therapy. (90 min)

**Micro Peel Resurfacing Treatment** 95

This treatment combines a Be Ageless Customized Signature Facial or Peel with a Diamond Microdermabrasion Treatment for a powerful exfoliating facial treatment for ultimate smooth skin. (90 min)

**Peels/Advanced Peel Series** (priced upon consult)

Customized peeling treatments for evening out skin tone, reducing acne and retexturing the skin. Ideal for melasma, hyperpigmentation, uneven skin tone, acne scarring, and sun damaged skin.

~ Facial Add On Treatments ~
